

## SACRED EARTH & STORM SCHOOL NEW ONLINE PROGRAM

### RECEIVING FROM ANGKOR WAT (VIETNAM & CAMBODIA)

20-25 AUGUST 2025 (6 days)

#### BACKGROUND

Standing in front of the incredible Angkor Wat in Cambodia recently

A dream for a very long time, came true.

There were some tears of gratitude, for sure!

But what immediately drifted into my awareness, like a subtle mist

Was a message, a deep realisation.

This temple was originally built to remind us of our own magnificence.

To make sure: we will never forget who we really are.

#### WOW

#### QUESTION

Are you ready to receive and live a greater level of your magnificence?

It is probably a life time project, but let's start.

Now is the time!

In this program I am guided to revisit the places on the trip and help you to tap into the amazing Earth energies available there.

To receive from them for you and your body.

And, above all, the memory of Angkor Wat.

So join me!

What else is possible?
